WHAT'S YOUR STORY?

Find the Perfect Balance
WHAT’S YOUR STORY?

What makes you **tick**? What gets you **up in the morning**? What **floats your boat** and drives your **passion**? What makes you **you**? You’re reading this viewbook, so you’re obviously **very intelligent**, somewhat **curious**, and possibly an **undiscovered genius** (which would be pretty cool). If you’re new to university, your story may just be **starting**. If you’re a transfer student, it may be **well underway**. Wherever you’re at in your journey, we have the **people** and the **programs** that will help you write the next exciting chapter of **your story**.
We could tell you about how we started out in 1911 as the modest Regina College. We could also tell you about how we grew in size and significance until we ultimately became an independent degree-granting university, the University of Regina, in 1974. But let’s face it, this probably isn’t the best time for a history lesson. Instead, we’ll tell you about what makes us different. We’ll tell you about what makes us one of the leading mid-sized universities in Canada. We’ll tell you about what makes us us.

We put our money where our mouth is. It’s true! We’re so confident that our grads will receive employment in their field of study that we guarantee it! It’s called our UR GUARANTEE — and it was the first program of its kind in Canada. If you’re a newly admitted or transfer student with 30-credit hours or less of post-secondary classes and you do not secure employment in your field within six months of graduation, we’ll pay for you to come back for another year of undergraduate classes!

We can show you the world. Okay, maybe not from a magic carpet, but Aladdin has nothing on us. Students in our UR International Study Abroad Program get to study in some of the most fascinating and beautiful places on earth. From the futuristic cityscapes of Asia, to the historic landmarks of Europe, our students broaden their horizons and become true citizens of the world.

We help you earn while you learn. Not to brag, but we DID pioneer the Co-operative (Co-op) Education Work Experience Program in Western Canada. Our students get the opportunity to gain valuable experience-based learning while pursuing almost any undergraduate degree. Co-op Programs are available in nearly 50 areas of study and helped our students earn over $10 Million in 2017! Okay, so maybe we are bragging (just a little bit).

We provide a home away from home. Moving away from home can be hard; but once you get over not having your dad’s world-famous French toast, you’ll soon realize that life on campus is pretty great. Six fully-furnished residence buildings offer a wide variety of housing options. Not only does living in Housing offer independence and convenience, it also provides the opportunity to meet others and make lifelong friendships (you may even find someone who can make delicious French toast).

We’re not too big & not too small. We like to think we’re in the Goldilocks zone of universities. Our smaller class sizes mean that your professors and classmates will actually know your name. You’ll recognize friendly faces in the halls and know where you’re going after just a few days on campus. But don’t be fooled by our size! Even though we’re a smallish campus, we still offer a broad range of programming, exceptional faculty, and some truly world-class facilities.

Regina, affectionately referred to as the Queen City, is the capital of Saskatchewan and one of Canada’s friendliest cities.

Located in the heart of the North American plains, Regina receives more hours of sunshine per year than any other Canadian city, making it a great place to call home (and the ideal place to lounge like a cat or grow impressive houseplants).

The Queen City is built around Wascana Centre, one of the largest and most picturesque urban parks in North America, making it a beautiful place to live. Wascana Lake is located just seconds from campus and surrounded by dozens of pathways where you can admire the beauty of nature while you jog, walk, bike, longboard, or maybe even gallop (hey, we’re not judging).

Regina offers the perfect blend of big city amenities and small town charm. When you live here, you may have rush minutes, but you’ll never have rush hour! Getting around is easy with Regina Transit, which connects you to all areas of the city with over six million bus routes annually. Our U-Pass gives students unlimited access to all transit routes (including express university routes)!

There’s also no shortage of things to do in Regina. Whether you’re a sports fanatic, culture buff, foodie or adventure seeker – Regina has something for you. With a growing entrepreneurial population, Regina is quickly becoming a destination for exceptional local culinary and shopping experiences.

With a current population of 253,220, Regina is growing quickly and home to many diverse cultural, entertainment, and recreational opportunities.

In Regina, everything is close together and easy to find.

Morgan Esperance
3rd year, Indian Communication Arts

**TOP 10 THINGS TO DO IN REGINA**

1. Walk around Wascana Lake as the sun is setting
2. Try astronaut ice cream at the Saskatchewan Science Centre
3. Carve a watermelon helmet and attend a Saskatchewan Roughriders game
4. Watch an outdoor movie in Victoria Park
5. Try one of over 20 insanely delicious flavours from Coney Island Poutine
6. Window shop for local wares in the Cathedral district
7. Catch a live performance at Globe Theatre
8. Pontificate about artist intent at the MacKenzie Art Gallery
9. Take in a movie on the big (really BIG) screen at the Kramer IMAX Theatre
10. Visit the Royal Canadian Mounted Police Heritage Centre
RECIPE FOR SUCCESS

Achieving success in university takes a lot of hard work but, like riding a teeter-totter, it’s so much easier when you’re not alone. We have many units on campus that provide personalized guidance and support to any students who need it.

SOME OF THE WAYS WE SUPPORT YOU

Our broad range of free programs and services will help you adjust to campus life and teach you the skills required to achieve success as a student, and wherever life takes you next.

SOME OF THESE PROGRAMS AND SERVICES INCLUDE:
• Free math and writing tutors
• Tutor registry
• Skill development workshops
• Leadership programs
• Advising
• Accommodations for students with a disability
• Counselling services
• Library help services
• IT support services
• And more!

GET WITH THE PROGRAM

The UR Guarantee Program was created to support students every step of the way through their university experience, up to and including finding employment after graduation. So how does it work? Once you sign up, you’ll meet with an advisor who will help you adapt to all aspects of university life. You’ll be given the opportunity to attend a wide variety of workshops and learn many valuable life skills, including:

• Academic skills
• Writing a great résumé
• Developing interview skills
• Receiving career advice

The UR Guarantee Program is designed to enhance your university experience by empowering you to achieve your educational, career and life goals. Once you’ve completed all elements of the UR Guarantee Program, and if you have 30-credit hours or less of postsecondary classes, you are eligible for the UR Guarantee.

What does this mean? In short, if you don’t secure career-related employment within six months of graduation, you will be eligible to come back for another year of undergraduate classes FREE of charge.

SOME OF THE BENEFITS:
• Ease into a university workload
• Challenge yourself with course material not offered in high school
• Earn university credit
• Meet like-minded students just like yourself across Saskatchewan!

Learn more at urflexible.ca.

The ASC can help you with anything you need help with and guide you to the right resources.

Jamin Mike
3rd year, English and Indian Communications Arts

ABORIGINAL STUDENT CENTRE

Located on the main floor of our bright and beautiful Research and Innovation Centre, our Aboriginal Student Centre cultivates a respectful and welcoming atmosphere for all. The ASC encourages student empowerment, identity, community connection, providing cultural support, and Indigenous ways of learning. The ASC acts as a central hub for all students, faculty, staff, and community to gather and find a sense of belonging in the larger university environment. Thanks to its impressive number of oversized windows, it’s also one of the best places in the university to grab a seat and people watch.

THE ASC FOCUSES ON ASSISTING STUDENTS TO:
• Successfully transition into university
• Successfully complete their degree
• Transition into the workforce
• Participate in university events

The ASC can help you with anything you need help with and guide you to the right resources.

Jamin Mike
3rd year, English and Indian Communications Arts

KICKSTART YOUR UNIVERSITY STUDIES IN HIGH SCHOOL

Grade 11 and 12 students can take credit courses that will count toward a university degree program. Three online courses have been created specifically for accelerated students that begin on February 1, 2019.

CHOOSE FROM:
• ANTH 100
• ART 220
• ENGL 100

BENEFITS:
• Ease into a university workload
• Challenge yourself with course material not offered in high school
• Earn university credit
• Meet like-minded students just like yourself across Saskatchewan!

Our tutor registry offers qualified tutors from a diverse range of subject areas.
STUDYING ABROAD

There are few things that can teach us like travel can. Open your world and open your mind with our Study Abroad program. Experience a semester, summer, or academic year learning abroad while exploring unique cultures and gaining invaluable insights about yourself and the world around you. With access to a network of 450 universities across 70 countries, you’ll have the opportunity to see the world while gaining academic credit towards a U of R degree.

Student exchange programs include the Global Study Program, National Student Exchange Program (NSEP), and International Student Exchange Program (ISEP).

Learn more and find out how to sign up for a Study Abroad program by visiting www.uregina.ca/international/study-abroad or by emailing us at Study.Abroad@uregina.ca.

We must go beyond textbooks, go out into the bypaths and untrodden depths of the wilderness and travel and explore and tell the world the glories of our journey.

John Hope Franklin

THE WORLD IS YOUR OYSTER

These are just a few of the amazing places you can study:

1. Washington D.C.
2. Santiago, Chile
3. York, England
4. Beijing, China
5. Tokyo, Japan
6. Sydney, Australia
7. Lyon, France
8. Berlin, Germany
9. Venice, Italy
10. Bergen, Norway
11. Gandhinagar, India
12. Lima, Peru
“Studying abroad in Switzerland was everything I could have wanted, but nothing I could have imagined. It was not only an opportunity to see new places and meet new people, but it was an opportunity to discover the world for myself, by myself”

Emilio Filomeno | Campion College
3rd Year, Psychology

Number of countries in which we have study exchange partnerships.

70
Sure university is a character-building, mind-expanding, life-changing experience - but what’s the point of it all? Before you think this is an existential crisis kind of question, we’re actually referring to life after university. The point is to find a career – a career that you’re both good at and passionate about. That’s why we offer a variety of career services that will help you get a jumpstart on your life after university.

**OTHER GREAT CAREER SERVICES WE OFFER**

In addition to our Co-op Work Experience Program, we also offer a variety of other hands-on learning opportunities through internships, practicum placements, professional placements and fieldwork.

**CO-OP WORK EXPERIENCE PROGRAM**

We pioneered the Co-op Work Experience Program in Western Canada and have been committed to it ever since. It sounds like we’re bragging, that’s because we are! Our program has been emulated by universities across the country, and helped our students earn over $10 million in wages last year alone. Co-op programs are now available in nearly 50 areas of study, and allow students to gain valuable, paid work experience while pursuing almost any undergraduate degree. Learn more about our Co-op Work Experience Program and find out how to apply for an internship by visiting www.uregina.ca/careercentre/coop/future-students/

**CO-OP/INTERNSHIP FACTS**

- In 2017, the Co-op Program helped 817 students access career-related placements.
- Co-op/Internship students earned over $10 million in wages last year.
- On average, Co-op/Internship students earn over $12,000 per four-month placement.

- Most Co-op/Internship students have permanent job offers from their employers prior to graduation.

Not sure what to study? Our Career Centre Counsellors can help you explore all of your career options and recommend the best educational route toward getting there. Looking for a summer internship or part-time job? Our Student Employment Services connects employers with students seeking employment.
Our campus is located on the beautiful banks of Wascana Lake, and offers an impressive number of world-class facilities where students can learn, live, and lounge.

The term Wascana is derived from the Cree word Oscana meaning “Pile of Bones”.

To date, over 30,000 learners have made the FNUNIV part of their educational journey.

We are home to over 400 researchers (that’s a lot of lab coats).

The Bookstore has all of your U of R gear and textbook needs!

Chill out with friends and soak up the sun on the green.

Shhhh!!! The John Archer Library is one of the best study spots on campus.

Living on campus means wearing flip-flops year round is an option!

Our research and innovation centre features the first green roof in Saskatchewan!

The term Wascana is derived from the Cree word Oscana meaning “Pile of Bones”.

Our Federated College students are eligible for additional scholarships!

Our campus guide features the first green roof in Saskatchewan!
LIVING HERE

Living on campus is comfortable, convenient, and fun! Just think of how nice it would be to roll out of bed, toss on your favourite hoodie and be in class in 5 minutes (okay 7 minutes if you brush your teeth). With six different buildings and 1,830 rooms to choose from, we know that there is a perfect room for you! Whether you select dorm-style or apartment-style housing, all of our residents enjoy their own private bedrooms so you can retreat to your own space at the end of the day.

ON YOUR OWN, BUT NOT ALONE!

Our Residence Life team is available 24/7 to support and assist our residents with any questions or concerns they may have. You are not just getting a great place to live, you also become part of a supportive community! Residence Life staff also organize all kinds of exciting activities exclusive to residents throughout the semester – from movie nights, to Rider games, to Winter Formal, you’ll never run out of fun things to do when you live on campus.

SELECT YOUR ACCOMMODATIONS

Apply by March 15 and take advantage of the best available room options. At the University of Regina, we provide students with the opportunity to select their room through our room selection process if they wish. Know who you want your roommates to be? We can help facilitate this match as well!

APPLY NOW! uregina.ca/housing.

OUR HOUSING OPTIONS:

- Kıšik Towers
- La Résidence
- Luther College
- Wakpá Tower
- Paskwáw Tower
- College West

DINE WITH US

From our All You Care To Eat buffet in the Riddell Centre Food Court to specialty coffee shops, you will find a variety of dining options to satisfy all your cravings on campus!

For those looking for convenient, healthy, and cost-saving options, consider one of our dining plan packages that allows you to swipe and save at any University of Regina Chartwells Food Service location on campus. For information on campus dining visit www.dineoncampus.ca/uofregina.

WHY JOIN A LIVING-LEARNING COMMUNITY

- Fun activities throughout the year
- Social and personal development
- Academic support programming
- Career experience

CURRENT LIVING-LEARNING COMMUNITIES

- Social Justice and Leadership
- Health and Wellness
- Engineering
- Global Citizen
- Neekanewak
- Le Quartier Francophone

PEOPLE TO MEET

One of the best parts about living in campus housing is having the opportunity to meet and learn among students from all corners of the globe. Thanks to our Living-Learning Communities (LLCs), meeting people with similar interests has never been easier. Our LLCs are communities of students who live and learn together because they share similar interests, values, or academic pursuits.

APPLY NOW! uregina.ca/housing.
Our lively campus is perfect for social butterflies. But if you’re more of a wallflower, don’t despair – our campus is perfect for you too! After all, flowers and butterflies go together like peanut butter and jam. The University of Regina Students’ Union (URSU) is made up of over 15,000 students, representing the diversity of our campus and students. URSU works to keep students connected to everything that is happening on campus and is a place where all students can find a true sense of community.

With nearly 120 student clubs and societies at the U of R, there’s sure to be something that piques your interest. Can’t find the perfect club? URSU will gladly accommodate new clubs, and even help you get set up with funding! We also proudly support a number of events that celebrate the rich multicultural heritage of our campus and student body.

When you come to university from high school you start making friends with people who have similar interests to you. These are the relationships that will last through life.

Cory Balaberda
5th year, Education & Kinesiology

TOP 10 THINGS TO DO ON CAMPUS

1. Join a student club and make new friends
2. Let loose at Welcome Week – the biggest party of the year
3. Grow something great in our Edible Campus Garden
4. Be enlightened at a TEDx Regina talk
5. Enjoy a warm welcome during Frost Week
6. Snack on nachos and wind down with your buds at our campus pub - The Owl
7. Dance like crazy at a Concert on the Green
8. Hop onto a Rams tailgate party
9. Attend a Student Society Faculty Gala
10. Dance to the drums at the FNUniv Spring Pow Wow
“I feel like living on campus really helped me to **meet new people** and form **great friendships**. I’m sure my first year would have been a lot harder if I hadn’t lived in residence.”

Abigaile Kuling | 3rd year, Social Work
Whether you’re into team sports, solo workouts, or just like to paint your face and scream a lot, the University of Regina has something for you.

WE’VE GOT GAME

The University of Regina has 13 intervarsity athletics teams that compete against other post-secondary institutions across Canada and the United States. Combined, our teams have amassed three national championships and 28 conference championships.

At the U of R, you don’t have to be an Olympic athlete to play on a team (though if you were, you’d probably always get picked first). Our recreational and intramural programs attract nearly two thirds of our student body to a wide array of activities, including volleyball, slo-pitch, inntertube waterpolo, floor hockey, curling, ultimate Frisbee, and much more!

GREEN. GOLD. BOLD.

Our Centre for Kinesiology, Health, and Sport is a state-of-the-art multi-use facility that draws local, provincial, national, and international events throughout the year. The Centre features a 25,000 ft² three-court gymnasium with retractable bleacher seating for up to 2,000 spectators, two multipurpose gymnasiums, an elevated 200-meter four-lane running track, a large fitness centre, an Aquatics Centre, lecture and classroom facilities, teaching and research laboratories, an artificial turf field and two natural grass fields.

Jet Davies | 3rd year, Human Kinetics
HILLBERG & BERK

Have you ever heard of sparkle balls? We know, we know – who hasn’t? These sparkling little gems are the brainchild of Hillberg & Berk CEO, Rachel Mielke. The popular jewellery company is based out of Regina and on a mission to empower women through design. Mielke never could have imagined how popular the company would become, or that she’d one day design a brooch for Queen Elizabeth II.

"The U of R was an amazing place to start my entrepreneurial journey. The education I received was a fundamental building block of getting me to where I am today and the community that I built while studying has become a community of lasting friendships." Rachel Mielke

I’m proud to be part of the alumni of the University of Regina. The U of R is an important contributor to the business and cultural landscape of Saskatchewan." Mary Weimer

Buy one article of clothing, plant ten trees. The business model for tentree is simple: for every item sold, tentree and its partners plant 10 trees in regions that will benefit for centuries to come. tentree was created by three friends who, through travel, recognized the need for giving back to the environment. To date, the company and its partners are responsible for planting over 20 million trees worldwide.

“The University of Regina encouraged me to step out of my comfort zone and go on a student exchange to the University of Hawaii. This was an amazing experience and ultimately contributed to the birth of tentree.” David Luba

“The University of Regina provided an incredibly supportive environment that always left us with the confidence to think outside the box. For us, this kind of environment pushed us to take chances and helped build the foundation for tentree today.” Derrick Emsley

“The University of Regina was an incredible place to start my business career – it’s a small city university that encourages you to think internationally. The mindset they teach you enables you to go out and make an impactful change on the world.” Kalen Emsley

What can you do with a U of R degree? Just about anything! Check out what these grads have done.

There are so many opportunities here in Regina, and a lot of them come from the relationships I made while at the U of R.

"There are so many opportunities here in Regina, and a lot of them come from the relationships I made while at the U of R." - Adrian Halter | Owner/Video Producer, Halter Media
BFA, Film Production, 2010
When it comes to education, a one-size-fits-all model simply doesn’t work. That’s why we have three federated colleges through which you can pursue your University of Regina degree. Our federated colleges offer students a unique and supportive community within the larger U of R community.

**First Nations University of Canada**

First Nations University is a unique Canadian institution that specializes in Indigenous knowledge, providing post-secondary education for Indigenous and non-Indigenous students alike within a culturally supportive environment. FNUniv students value the sense of culture and wholeness that is part of all aspects of the institution, from the small and supportive classes, to the respect for Indigenous traditions, to our history and our values. Learn more about the FNUniv at www.fnuniv.ca

**Luther College**

With a current enrolment of 600 students, Luther College is committed to retaining the personal atmosphere, individual attention, and sense of community that only a small university can offer. Luther College offers students exceptional pre-professional programming, such as the English-Science Bundle Plus, and unique opportunities in undergraduate Arts, Media, Art, and Performance, and Science education. Offering modern housing options and an impressive dining hall, Luther provides students with everything needed to thrive as they pursue their post-secondary education. Learn more about Luther College at www.luthercollege.edu/university

**Campion College**

At Campion College, education goes beyond the classroom. With over a century of excellence in forming leaders, Campion focuses on developing the entire person by providing students with opportunities to expand their professional network, be of service to their communities, and become citizens for positive change in society. Experience the Campion Advantage with specialized programming, personalized advising, and engaged learning opportunities! Learn more about Campion at www.campioncollege.ca

**More Ways to Learn**

**La Cité Universitaire Francophone**

Parlez-vous français? If your answer is oui, La Cité universitaire francophone may be the perfect fit for you! If you’re not sure what we just asked, don’t worry - La Cité is the ideal place to learn and experience francophone culture in the heart of main campus. As the hub for university education in French in Saskatchewan, La Cité offers a variety of study options including degrees, certificates, minors and classes in French. Scholarships, travel opportunities, and student supports are available through the Centre de services aux étudiants, where an academic advisor will work one-on-one with students in any program. Learn more about La Cité at lacite.uregina.ca

**Options! Options! Options! with Flexible Learning Courses**

Study anytime, anywhere with online courses. Busy during the weekdays? Choose evening and Saturday courses (with free parking). “Netflix” (stream) your class at home or a site with LIVE-streamed courses.

Whether you prefer to study off-campus or online, early mornings or nights, over coffee or under your bed (hey whatever works), we’ve got excellent options for full and part-time students. Learn more at urflexible.ca

**Federated College Students:**

1. Pay regular tuition & access all the same supports and services (with extra!)
2. Benefit from one-on-one academic advising
3. Access additional scholarships and bursaries
4. Graduate with a U of R degree
5. Have Smaller Classes and Easier Access to Instructors
To see full program descriptions or view sample classes and career paths, visit unconnected.uregina.ca

ACCOUNTING
BACHELOR OF BUSINESS ADMINISTRATION
Faculty of Business Administration
Learn accounting theories and practices in an applicable way. Gain experience with managerial, financial, and cost accounting practices, and learn how to prepare and analyze financial statements.

EL: Co-op | FC: U of R, FNUniv

Prepares students who wish to pursue their future CPA designation.

ART HISTORY
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Learn to understand art historically and across cultures, as well as different methods and techniques of various art media while acquiring tools to conduct research and interpret and evaluate works of art.

EL: Professional Placement Program
FC: Campion, FNUniv, Luther

CHEMISTRY
BACHELOR OF SCIENCE
Faculty of Science
Conduct chemical analyses, design, synthesize and test new chemical products, and measure pollutants in the air, water and soil. Develop analytical, problem solving, and data interpretation skills through hands-on work.

EL: Co-op | FC: Campion, FNUniv, Luther

CREATIVE TECHNOLOGIES
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Enhance your creativity with the power of technology and work outside traditional creative study areas through the linking of technology, music, and visual arts while working and studying new media.

EL: Professional Placement Program
FC: Campion, FNUniv, Luther

UNIQUE PROGRAM IN SASKATCHEWAN

CULTURES OF DISPLAY
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Students take specific Art History and Media, Art, and Performance courses to prepare for a career in the curatorial field. The program was designed to meet the demand for specific training in this area.

EL: Professional Placement Program
FC: Campion, FNUniv, Luther

ECONOMICS
BACHELOR OF ARTS, BACHELOR OF SCIENCE
Faculty of Arts
Explore how societies deal with economic problems, provide for the economic well being of their citizens, decide what goods and services to produce, which methods to use in production, and to whom these goods and services will be distributed.

EL: Co-op | FC: Campion, FNUniv, Luther

EDUCATION - ARTS
BACHELOR OF EDUCATION
Faculty of Education
Prepare graduates to teach arts education with a solid foundation in cultural education with a strong emphasis on aesthetics, history, and cultural development.

EL: Internship | FC: FNUniv

EDUCATION - BACCALAUREAT EN EDUCATION ÉLÉMENTAIRE VOIE FRANÇAIS DE BASE
BACHELOR OF EDUCATION
Faculty of Education
This program has an orientation towards teaching at the secondary level. Major area is French; minor is required.

EL: Internship
Direct-entry program/competitive

EDUCATION - ELEMENTARY
BACHELOR OF EDUCATION
Faculty of Education
Broad based program that prepares school professionals to teach core curriculum subjects, including: arts education, health, language arts, mathematics, physical education, science, and social studies at the Pre-Kindergarten to Grade 9 level.

EL: Internship
Direct-entry program/competitive

EDUCATION - INDIGENOUS (ELEMENTARY AND SECONDARY)
BACHELOR OF EDUCATION
Faculty of Education
Holistic First Nations teaching perspective prepares students for both the elementary and secondary levels. Specific courses designed to introduce teachers to unique needs of First Nations students.

EL: Internship | FC: FNUniv

EDUCATION - MUSIQUE
BACHELOR OF MUSIC EDUCATION/BACHELOR OF MUSIC
Faculty of Arts, Art, & Performance | Faculty of Education
This five year joint degree program prepares you to teach secondary choral and instrumental music. As part of the program, you will pursue applied music study on one instrument or voice for seven of the ten semesters.

EL: Internship in the Bachelor of Music Education portion of the program
FC: Campion, FNUniv, Luther for the BMUS portion of the program.

EDUCATION - MUSIC/EDUCATION ÉLÉMENTAIRE/SECONDAIRES
BACHELOR OF EDUCATION
Faculty of Education
Prepares students to teach music, arts, and physical education in the elementary and secondary levels.

EL: Internship
Direct-entry program/competitive

EDUCATION - PHYSICAL EDUCATION/
PHYSICAL LITERACY/SECONDAIRE
BACHELOR OF EDUCATION
Faculty of Education
This 5 year program prepares students to explore fundamental movement skills, human movement patterns, and application in both classroom and community settings. Students will receive a Bachelor of Education (Physical Education major) and Bachelor of Kinesiology (Physical Literacy major) upon completion of this joint program.

EL: Internship
Graduate with two degrees!

EDUCATION - SASKATCHEWAN URBAN TEACHER EDUCATION PROGRAM (SUETE)
BACHELOR OF EDUCATION
Faculty of Education
Incorporates native studies and cross-cultural education with a solid foundation in the mechanics of teaching while spending a substantial amount of time working with teachers and their students in modify urban school settings.

EL: Internship
Direct-entry program/competitive

EDUCATION - SECONDARY
BACHELOR OF EDUCATION
Faculty of Education
You will be required to identify a major and minor area of focus. Majors: Biology, Chemistry, English, General Science, Health, Mathematics, Physical Education, Physics, and Social Studies. Minors: Arts Education, Dance, Drama, French, General Science, and Outdoor Education.

EL: Internship
Direct-entry program/competitive

ENGINEERING - ELECTRONIC SYSTEMS
BACHELOR OF SCIENCE
Faculty of Engineering and Applied Science
Focuses on analog and digital electronics with specialization streams in instrumentation and control, telecommunications, micro-electronics, and power and energy. Software and computer-related courses are part of the program, allowing students to develop greater software and hardware abilities.

EL: Co-op, Internship

EL - Experiential Learning Opportunities
FC - Program available through a Federated College
CONTINUED

ENGINEERING - ENVIRONMENTAL SYSTEMS
BACHELOR OF APPLIED SCIENCE
Faculty of Engineering and Applied Science
Plan, design, and evaluate solutions to environmental problems in the areas of water resource systems, regional infrastructure systems, waste management, and air pollution.
EL: Co-op, Internship

ENGINEERING - INDUSTRIAL SYSTEMS
BACHELOR OF APPLIED SCIENCE
Faculty of Engineering and Applied Science
Designed to develop engineers who can organize and effectively utilize the total resources of modern manufacturing and process industries. This includes the materials, machinery, facilities, people, andangel investing.
EL: Co-op, Internship

ENGINEERING - PETROLEUM SYSTEMS
BACHELOR OF APPLIED SCIENCE
Faculty of Engineering and Applied Science
Evaluates, designs, and manages technologies in evaluating reserves, surface collection, and treatment facilities for oil and gas. Advanced computer utilization and automation combined with effective communications skills are integrated within the program. Techniques developed for the recovery of petroleum can be applied to the extraction of other important minerals.
EL: Co-op, Internship

ENGINEERING - SOFTWARE SYSTEMS
BACHELOR OF APPLIED SCIENCE
Faculty of Engineering and Applied Science
Designed to develop engineers skilled in the professional construction and engineering of software systems and their life cycles. Such systems include World Wide Web transaction systems, management and information systems, and interactive multimedia systems.
EL: Co-op, Internship

ENGLISH

BACHELOR OF ARTS
Faculty of Arts
Imagines yourself as an award-winning poet or novelist, or as a government policy advisor. Learn about authors from around the globe, diverse genres, and literary periods. Develop critical thinking and writing skills and strengthen your communications skills.
EL: Co-op | FC: Campion, FNUniv, Luther

ENGLISH - CREATIVE WRITING
CONCENTRATION
BACHELOR OF ARTS
Faculty of Arts
This concentration might suit those interested in writing creative work such as poetry, fiction, or drama an area of focus within the major in English.
EL: Co-op | FC: Campion, FNUniv, Luther

ENTREPRENEURSHIP
BA (Eco) THE BUSINESS ADMINISTRATION
Faculty of Business Administration
Prepare business plans and develop an understanding of venture capital and angel investing.
EL: Co-op | FC: U of R, FNUniv

ENVIRONMENTAL STUDIES
BACHELOR OF ARTS
Faculty of Arts
Study the concepts and interrelationships needed to understand the complexities of environmental issues, and how humans connect and interact with these issues.
EL: Co-op | FC: Campion, FNUniv, Luther

FRENCH AND FRANCOPHONE
INTERCULTURAL STUDIES
BACHELOR OF ARTS
Faculty of Arts
The study of the French language, francophone history, and contemporary culture from around the world.
EL: Co-op | FC: Campion, FNUniv, Luther

FILM PRODUCTION
BACHELOR OF FINE ARTS/
DIPLOMA IN FILM PRODUCTION
Faculty of Media, Art, & Performance
Learn how to produce film and new media, including the elements of scripting, directing, recording, editing, digital imaging, and sound production. You will also study the history, theory, and analysis of motion pictures.
EL: Professional Placement Program
FC: Campion, FNUniv, Luther

The film production program is the only degree program of its kind between Toronto and Vancouver.

FINANCE
BACHELOR OF BUSINESS ADMINISTRATION
Faculty of Business Administration
Analyze and interpret financial information to make money-handling decisions. Examine financial concepts, theories and analyses, understand financial markets, and analyze risk to implement and manage resource allocation strategies.
EL: Co-op | FC: U of R, FNUniv

- Certificate in Political and International Governance
- Certificate in Public Relations
- Certificate in Recreation Studies
- Certificate in Spanish
- Certificate in Teaching Elementary School Mathematics
- Certificate in Visual Arts
- Certificate or Diploma in Liberal Arts

For a full listing of available certificates and diploma programs, please visit uncregina.ca
COME SEE OUR CAMPUS

Just like your grandma’s house, you’re always welcome here! There’s no need for a formal invite; stop by any time to scope out our campus and get a feel for what it’s really like to be a student at the University of Regina.

CAMPUS TOURS

Get the insider’s scoop on campus life, as you enjoy a tour from one of our current students. Check out our classrooms, housing options, sports facilities, and popular campus hangouts. Feel free to stop by solo, with friends, or even with your parents (after all, there’s a chance they may be paying for this).

EVENTS

FALL OPEN HOUSE – OCTOBER 20, 2018
Each fall, we offer a Saturday Open House event for high school students and their families. It’s a great opportunity to tour our campus and residence buildings, meet other future students, and ask current students about what life at U of R is really all about. You can even apply on the spot (and possibly get admitted that day) for a reduced application fee!

ADMISSION ON THE SPOT (AOTS)
No need to pace by your mailbox, chewing your fingernails and waiting for your acceptance letter. Our Admission on the Spot event allows students to apply in person and, for most programs, find out if they’re accepted right on the spot. Simply bring your transcripts and application fee (your fingernails will thank you). These events happen multiple times throughout the year in various locations. Visit us online for a full listing (and details on what to bring!)

SCHOLARSHIP APPLICATION WORKSHOPS
These helpful workshops give you excellent advice on how to search for awards, write an awesome personal statement, and what to ask for in reference letters. You’ll find out everything you wanted to know about scholarship applications but were too afraid to ask.

GRADE 11 UNIVERSITY PREVIEW – FEBRUARY, 2019
It’s never too early to start planning for your post-secondary future. This event is designed specifically for grade 11 students who want to explore their post-secondary options. Take part in hands-on sessions and selected presentations based on your own interests.

URBEGINNING – MAY 3, 2019
New students who have been admitted to the university are invited to attend this fun spring event before starting classes in the fall. URBEGINNING provides the opportunity for incoming students to meet others, register for classes, and get first dibs on fall courses!

ENROLMENT COUNSELLING

There’s a good chance you’ll have a lot of questions about university. That’s why we have experienced (and pretty darn friendly) Enrolment Counsellors on staff. They’ll meet with you one-on-one, answer all of your questions, and even guide you through the complete application process if you like.

BOOK YOUR TOURS AND COUNSELLING ONLINE!
