

Need money for University? We are here to help!

AWARDS

There are many funding options to help you pay for your expenses at University. Last year, U of R students received over 9 million dollars in awards, scholarships, and bursaries to help them pay for their studies!

Using SAMS, the U of R online awards application system students can:

- Keep track of their U of R award applications in one place
- View the status of their applications throughout the selection process
- Use one common personal statement for all awards
- Use searching tools such as filters to help them find awards

(Student Awards Management System)

The Entrance Award application deadline for students starting in the Fall 2019 term is March 15, 2019!

The Entrance Awards open in January, and close on March 15, so please encourage students to start their award applications early. There are a wide variety of scholarships, awards and bursaries available to students geared to support students in all areas of study. More award information and application forms can be found at www.uregina.ca/safa.

We also offer free **award workshops** on the University of Regina campus in February, prior to the award application deadline which provide students with useful information and guidance on filling out the award application form. Students don't need to register-they can just show up to the session that works for them. Parents are welcome to attend, also!

Anyone can access SAMS either as a "guest" or as a "registered user". If you just want to take a look at awards without applying for any, the general public can login as a guest and browse the entire undergraduate awards inventory.
