High School Early Conditional Admission

This is how your admission average is calculated when you apply while still in grade 12!

This Early Conditional Average is used to rank applicants in the competitive entry process.

Applicants who are currently enrolled in high school will have their competitive admission average calculated according to the University of Regina’s Early Conditional Admission requirements:

1. One course in English or French Language Arts (Grade 11 or 12)
2. One academic Math (Grade 11 or 12)
3. One course from Category A (Grade 11 or 12)
4. One course from Category B (Grade 11 or 12)
5. One additional course from Category A or B (Grade 11 or 12)

See the next slide for the list of Category A and B courses.

Please Note:

- A maximum of two math courses may be used
- Nursing does not allow use of any category A or B courses marked with an asterisk* (These have been removed from the list below but may appear on other lists available on the University of Regina website)
- Each requirement must be different subjects except for Language Arts which may be used twice
- Minimum admission averages must be met as per Faculty-specific admission policy (Nursing is competitive entry and requires a minimum grade of 70% in each course)

Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN)
High School Early Conditional Admission

This is how your admission average is calculated when you apply while still in grade 12!

The French immersion courses in these subject areas can also be used for Early Conditional Admission.

- German
- History: Canadian Studies
- History of the Americas
- Law
- Mandarin
- Native Studies
- Native Studies: Canadian Studies
- Psychology
- Social Studies
- Social Studies: Canadian Studies
- Spanish
- Ukrainian
- Ukrainian Language Arts

Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN)
High School Final Admission Requirements

A minimum of 70% is required in each of the following courses. Applicants are ranked by admission average for selection to the program. If you are a current high school student, your average can be calculated with the Early Conditional Admission process, but you must also be on track to graduate with the final admission requirements listed. You are still encouraged to apply within the application period of your grade 12 year.

1. One of ELA A30, Français Franskaskois A30, or Français Immersion 30
2. One of ELA B30, Français Franskaskois B30, or Français Immersion 30
3. One of Foundations of Math 30 or Pre-Calculus 30
4. Biology 30
5. Chemistry 30

If you are conditionally accepted based on the Early Conditional Admission process, you must still meet the requirements above at the time of graduation.
If Admitted, You Also Need…

✓ CPR Health Care Provider course
✓ Standard “A” First Aid course
✓ Immunization Record
✓ Criminal Record Check and Vulnerable Sector Check
✓ Workplace Hazardous Materials Information System (WHMIS)
✓ Transferring, Lifting, and Repositioning (TLR®)

These are completed after receiving admission to the SCBScN program.
When to Apply

The soonest you become eligible to apply is during your Grade 12 year

✓ Applications for Fall 2021 Intake
  October 1, 2020 – February 15, 2021

✓ Transcript Deadline for Fall 2021 Intake
  March 1, 2021 and August 1, 2021

✓ When Would I Hear Back?
  Acceptance emails for the 2021 intake begin Spring 2021
How To Apply

1. Online – [www.sasknursingdegree.ca](http://www.sasknursingdegree.ca)
