The ta-tawâw Student Centre (formerly Aboriginal Student Centre) is a respectful and welcoming place that encourages student empowerment, identity, community connection and Indigenous ways of learning. This space is a central hub for all students on campus, and a place to gather with others including Knowledge Keepers, alumni, faculty, staff and community members, creating a sense of belonging in the larger university environment.

Stay connected to the ta-tawâw Student Centre community on Facebook through our UR Campus Cousins group! We share resources, information and encourage community connection.

nitôncipâmin omâ Student Success Program

The nitôncipâmin omâ Student Success Program (OMA Program) is designed to provide you with the most supportive learning environment as a first-year Indigenous student. The ta-tawâw Student Centre acknowledges that all our students are leaders and within this program we cultivate your leadership skills and assist you in becoming academic leaders on our campus by providing you with the tools you need to navigate your academic path successfully.

With much of the first-year experience going remote for fall 2020, OMA is an effective way to stay connected, make friends with other Indigenous first-year students and establish a strong foundation. Apply to join this free program today!
