Hi Jon,

It's Spring in Saskatchewan! Well, sort of! We want to make sure you are in the loop so that you can answer your students' questions. Ensuring you have all the info you need is our top priority!

Here are some of the key events and deadlines coming up soon for your students:

1. [Students can still apply to most U of R programs and even some scholarships too!](#)
2. [UR Beginning! 2017](#) is coming up soon: Academic advising, course registration, and more will be available on **May 5!**
3. If they cannot make it, there are other [advising and course registration](#) opportunities
4. [New University of Regina Summer Bridge Program](#)
5. Have your students applied for [housing](#) yet? Room guarantee for new students who apply prior to June 1, 2017.

1. STUDENTS CAN STILL APPLY

Do you have students still looking for that perfect program? Are they still searching for an extra supportive environment to tackle post-secondary studies? We're here for them! Applications are still open to most of our [120 different programs](#).

They can even still apply for some entrance scholarships. The deadline for [Luther College Scholarships](#) is **May 15!**

Review [program requirements by province](#) here. If they're accepted and aren't quite ready to jump into studies, they can even choose to take advantage of our [gap year program](#).

IMPORTANT DEADLINE CHANGE

The Faculty of Education has extended its application deadline to **June 1, 2017**. Applications will be evaluated as they are submitted and specific programs will close as they reach capacity.

2. REMIND YOUR ADMITTED STUDENTS TO SIGN-UP FOR URBEGINNING 2017 ASAP!

Encourage them to join us on the first day of open course registration to have early access to their fall courses. They can select a morning or afternoon advising session and participate in all day programming as well. They can even spend a night in residence for free!

3. They can't make it on May 5? Have them consider one of our [URB 2.0 sessions](#). These are miniature half-day versions of the larger event that include important pre-advising information as well as faculty academic advising and course registration.

4. Our [Summer Bridge Program](#) is great for students who are nervous about starting classes in the fall!
