

Getting questions from students? Many great opportunities to visit U of R campus and learn more this fall!

Hi Erin,

Our 2016 Fall Open House was a CRAZY success! Thank you for promoting the event and sending your students with their transcripts. We welcomed over 1200 guests and admitted almost 400 students right at the event! There were tears (parents), pictures (of free mittens), and great questions. Check out [this video](#) to get a glimpse of the day.

Competitive program applications are open too. Students applying to **Education** must fill out a Teacher Education Application Profile (TEAP). Remind them to select this specific application type when starting the online process. Students can review [this page](#) or attend an [application workshop](#) before filling out their TEAP.

High school students interested in applying to **Nursing** must do so through the Saskatchewan Polytechnic website. Visit [this page](#) for all the details. The 2016 Fall admission cut-offs for the Faculty of Nursing were as follows:

Regina site high school: 87.40%

Saskatoon site high school: 86.00%

Your students couldn't attend Fall Open House? There are additional [Admission on the Spot events](#) (with free mittens and the discounted application fee) coming up in Saskatoon, Regina, and Moose Jaw! Click below for more information.
