“WHAT’S YOUR STORY?”

Find the Perfect Balance

UNIVERSITY OF REGINA 2017/18 VIEWBOOK
WHAT'S YOUR STORY?

What makes you tick? What gets you up in the morning? What floats your boat and drives your passion? What makes you you? You’re reading this viewbook, so you’re obviously very intelligent, somewhat curious, and possibly an undiscovered genius (which would be pretty cool). If you’re new to university, your story may just be starting. If you’re a transfer student, it may be well underway. Wherever you’re at in your journey, we have the people and the programs that will help you write the next exciting chapter of your story.
“I’ve been able to **thrive here.** The campus is smaller, so it really feels like a **close-knit community.**”

Jaskirat Josan | 1st year, Software Systems Engineering
We could tell you about how we started out in 1911 as the modest Regina College. We could also tell you about how we grew in size and significance until we ultimately became an independent degree-granting university, the University of Regina, in 1974. But let’s face it, this probably isn’t the best time for a history lesson. Instead, we’ll tell you about what makes us different. We’ll tell you about what makes us one of the leading mid-sized universities in Canada. We’ll tell you about what makes us us.

It’s true. We’re so confident that our grads will receive employment within their field of study that we guarantee it! It’s called our UR GUARANTEE – and it’s the only program of its kind in Canada. If you’re a newly admitted or transfer student with 30-credit hours or less of post-secondary classes and you do not secure employment in your field within six months of graduation, we’ll pay for you to come back for another year of undergraduate classes (tuition and course fees)!

Okay, maybe not from a magic carpet, but Aladdin has nothing on us. Students in our UR International Study Abroad Program get to study in some of the most fascinating and beautiful places on earth. From the futuristic cityscapes of Asia, to the historic landmarks of Europe, our students broaden their horizons and become true citizens of the world.

Not to brag, but we DID pioneer the Co-operative (Co-op) Education Work Experience Program in Western Canada. Our students get the opportunity to gain valuable experience-based learning while pursuing almost any undergraduate degree. Co-op Programs are available in nearly 50 areas of study and helped our students earn $9.6 million in 2016! Okay, so maybe we are bragging (just a little bit).

Moving away from home can be hard. But once you get over not having your dad’s world-famous French toast, you’ll soon realize that life on campus is pretty great. Five fully-furnished residence buildings offer a wide variety of housing options. Not only does living in residence offer independence and convenience, it also provides the opportunity to meet others and make lifelong friendships (you may even find someone who can make delicious French toast).

We like to think we’re in the Goldilocks zone of universities. Our smaller class sizes mean that your professors and classmates will actually know your name. You’ll recognize friendly faces in the halls and know where you’re going after just a few days on campus. But don’t be fooled by our size. Even though we’re a smallish campus, we still offer a broad range of programming, exceptional faculty, and some truly world-class facilities.
### BY THE NUMBERS

| **Number of students enrolled** in 2016 | 14,500 |
| **Number of daycares located on campus** | 2 |
| **Number of undergraduate programs** | 120+ |
| **Number of places to grab a coffee on campus** | 10 |
| **Number of online courses offered last year** | 164 |
| **Number of sandwich toppings at Henderson’s Café** | 16 |
| **Percentage of International students** | 14% |
| **Average number of minutes it takes to walk across campus** | 11 |
| **Number of other Canadian universities that offer a Guarantee Program** | 0 |
| **Average Co-op earnings per 4-month internship** | $12,000 |
| **Average student to teacher ratio** | 28:1 |
| **Percentage of self-declared Aboriginal students** | 13% |
Regina, affectionately referred to as the Queen City, is the capital of Saskatchewan and one of Canada’s friendliest cities.

Located in the heart of the North American plains, Regina receives more hours of sunshine per year than any other Canadian city, making it a great place to call home (and the ideal place to lounge like a cat or grow impressive houseplants).

The Queen City is built around Wascana Centre, one of the largest and most picturesque urban parks in North America, making it a beautiful place to live. Wascana Lake is located just seconds from campus and surrounded by dozens of pathways where you can admire the beauty of nature while you jog, walk, bike, longboard, or maybe even gallop (hey, we’re not judging).

Regina offers the perfect blend of big city amenities and small town charm. When you live here, you may have rush minutes, but you’ll never have rush hour! Getting around is easy with Regina Transit, which connects you to all areas of the city with 16 million bus routes annually. Our U-Pass gives students unlimited access to all transit routes (including express university routes)!

There’s also no shortage of things to do in Regina. Whether you’re a sports fanatic, culture buff, foodie or adventure seeker – Regina has something for you. With a growing entrepreneurial population, Regina is quickly becoming a destination for exceptional local culinary and shopping experiences.

"No matter where you are in Regina, you’re close to everything you need.”

Amanda Mahoney
4th year, Middle Years Education

**TOP 10 THINGS TO DO IN REGINA**

1. Walk around Wascana Lake as the sun is setting
2. Try astronaut ice cream at the Saskatchewan Science Centre
3. Carve a watermelon helmet and attend a Saskatchewan Roughriders game
4. Watch an outdoor movie in Victoria Park
5. Try one of over 20 insanely delicious flavours from Coney Island Poutine
6. Window shop for local wares in the Cathedral district
7. Catch a live performance at Globe Theatre
8. Pontificate about artist intent at the MacKenzie Art Gallery
9. Take in a movie on the big (really BIG) screen at the Kramer IMAX Theatre
10. Visit the Royal Canadian Mounted Police Heritage Centre

With a current population of 241,422, Regina is growing quickly and home to many diverse cultural, entertainment, and recreational opportunities.
Being part of the UR Guarantee Program has been great. I meet with my advisor twice a semester to set personal goals; it’s been very helpful. Plus, my mom was pretty happy about the employment guarantee too!

Zach Tucker | 2nd year, Kinesiology

Our tutor registry offers qualified tutors from a diverse range of subject areas.

Our tutor registry offers qualified tutors from a diverse range of subject areas.
STUDYING ABROAD

Few things can teach us like travel can. Open your world and open your mind with our Study Abroad program. Experience a semester, summer, or academic year learning abroad while exploring unique cultures and gaining invaluable insights about yourself and the world around you. With access to a network of 450 universities across 70 countries, you’ll have the opportunity to see the world while gaining academic credit towards a U of R degree.

Student exchange programs include the Global Study Program, National Student Exchange Program (NSEP), and International Student Exchange Program (ISEP). Learn more and find out how to sign up for a Study Abroad program by visiting www.uregina.ca/international/study-abroad or by emailing us at Study.Abroad@uregina.ca.

THE WORLD IS YOUR OYSTER

We must go beyond textbooks, go out into the bypaths and untrodden depths of the wilderness and travel and explore and tell the world the glories of our journey.

John Hope Franklin

THESE ARE JUST A FEW OF THE AMAZING PLACES YOU CAN STUDY

1. Washington D.C.
2. Santiago, Chile
3. York, England
4. Beijing, China
5. Tokyo, Japan
6. Sydney, Australia
7. Lyon, France
8. Berlin, Germany
9. Venice, Italy
10. Bergen, Norway
11. Gandhinagar, India
12. Lima, Peru
“My experience studying at the University of Essex for a year was life-changing. I learned so much, not only within my area of study, but about myself. Plus, I was able to knock a few destinations off my bucket list.”

Carla Klein | 4th year, English
Sure university is a character-building, mind-expanding, life-changing experience - but what’s the point of it all? Before you think this is an existential crisis kind of question, we’re actually referring to life after university. The point is to find a career – a career that you’re both good at and passionate about. That’s why we offer a variety of career services that will help you get a jumpstart on your life after university.

**CO-OP WORK EXPERIENCE PROGRAM**

We pioneered the Co-op Work Experience Program in Western Canada and have been committed to it ever since. If it sounds like we’re bragging, that’s because we are. Our program has been emulated by universities across the country, and helped our students earn $9.6 million in wages last year alone. Co-op programs are now available in nearly 50 areas of study, and allow students to gain valuable, paid work experience while pursuing almost any undergraduate degree. Learn more about our Co-op Work Experience Program and find out how to apply for an internship by visiting www.uregina.ca/careercentre/coop/future-students/

In addition to our Co-op Work Experience Program, we also offer a variety of other hands-on learning opportunities through internships, practicum placements, professional placements and fieldwork.

**OTHER GREAT CAREER SERVICES WE OFFER (BUT DON’T BRAG ABOUT AS MUCH)**

Not sure what to study? Our Career Centre Counsellors can help you explore all of your career options and recommend the best educational route toward getting there. Looking for a summer internship or part-time job? Our Student Employment Services connects employers with students seeking employment.

---

**CO-OP/INTERNSHIP FACTS**

- Most Co-op/Internship students have permanent job offers from their employers prior to graduation.
- In 2016, the Co-op Program helped 772 students access career-related placements.
- Co-op/internship students earned $9.6 million in wages last year.
- On average, Co-op/Internship students earn over $12,000 per four-month placement.
“My Co-op placements have been very beneficial. Getting out of the classroom and into the real world was definitely eye-opening and helped me to make several professional connections.”

Adam Sander | 3rd year, Industrial Systems Engineering

University of Regina boasts the best employment rates for young graduates of all post-secondary institutes in Saskatchewan (2014 Graduate Outcomes Study Report, Ministry of Advanced Education)
Our campus is located on the beautiful banks of Wascana Lake, and offers an impressive number of world-class facilities where students can learn, live, and lounge.
Let’s face it, you attend university to learn – but you’re also hoping to have some fun while you’re here, right? Your university experience includes so much more than just sitting in lecture halls and studying in the library. From the food court in Riddell Centre, to our on-campus housing options, to the world-class gym facilities, to our campus pub (The Owl), there’s no shortage of places to hang out and have fun on campus.

Living on campus is comfortable, convenient, and fun! Just think of how nice it would be to roll out of bed, toss on your favourite hoodie and be in class in 5 minutes (okay 7 minutes if you brush your teeth). With 5 different buildings and 1,830 rooms to choose from, we know that there is a perfect room for you! Whether you select dorm-style or apartment-style housing, all of our residents enjoy their own private bedrooms (so you’ll never have to arm wrestle over who gets the top bunk).

If you are a high school student or an international undergraduate student who is new to the U of R, you are guaranteed a room if you apply to Housing Services prior to June 1st, 2018.

Our Residence Life team is available 24/7 to support and assist our residents with any questions or concerns they may have. You are not just getting a great place to live, you also become part of a supportive community! Residence Life staff also organize all kinds of exciting activities exclusive to residents throughout the semester – from movie nights, to Rider games, to Winter Formal, you’ll never run out of fun things to do when you live in residence.

For more information and virtual tours visit: uregina.ca/housing.
“I feel like living on campus really helped me to meet new people and form great friendships. I’m sure my first year would have been a lot harder if I hadn’t lived in residence.”

Abigail Kuling | 2nd year, Social Work
One of the best parts about living in campus housing is having the opportunity to meet students from all corners of the globe. Thanks to our Living-Learning Communities (LLCs), meeting people with similar interests has never been easier. Our LLCs are communities of like-minded students who live and learn together because they share similar interests, values, or academic pursuits.

**WHY JOIN A LIVING-LEARNING COMMUNITY?**

- Fun activities throughout the year
- Social and personal development
- Academic support
- Career experience

**CURRENT LIVING-LEARNING COMMUNITIES**

- Social Justice and Leadership
- Health and Wellness
- Engineering
- Global Citizen
- Neekaneewak
- Le Quartier Francophone

To learn more, or to apply to one of our Living-Learning Communities, visit uregina.ca/housing

---

**THINGS TO EAT**

Avoiding the freshman fifteen may be tough with all the delicious dining options available on campus. It’s a good thing we have a world-class fitness centre!

**DINING PLANS**

You already have a lot on your plate, why add cooking to the mix? Our dining plans provide convenient, healthy, and cost-saving options for dining on campus. Simply purchase a Commuter or Resident Dining Plan and then use your Swipe & Save card at any of the Chartwells locations on campus. Swipes & Save cards are reloadable and convenient as they take the place of carrying cash. Whether you live on or off campus, a variety of dining plans are available to you. For more information, visit www.dineoncampus.ca/uregina.

**RESTAURANTS ON CAMPUS**

From specialty coffee to poutine and everything in between, you’re sure to find something that tempts your tastebuds on campus. Satisfy all of your cravings at the new *All you care to eat* Global Village in our Riddell Centre Food Court.

**CAMPUS DINING LIST**

- **Kisik Towers**
  - C-Store

- **Administration Humanities Building**
  - The Grind

- **Lab Café**
  - Lemongrass Pho
  - Tim Hortons Express
  - Subway

- **Dr. William Riddell Centre**
  - Austin Grill Express
  - Common Ground
  - Extreme Pita
  - Global Village (Buffet)
  - Golden Prairie Confectionery
  - Henderson’s Café
  - The Owl (Restaurant & Bar)
  - Pizza Pizza
  - Tim Hortons

- **Education/Kinesiology Building**

Our lively campus is perfect for social butterflies. But if you’re more of a wallflower, don’t despair — our campus is perfect for you too! After all, flowers and butterflies go together like peanut butter and jam. The University of Regina Students’ Union (URSU) is made up of over 14,000 students, representing the diversity of our campus and students. URSU works to keep students connected to everything that is happening on campus and is a place where all students can find a true sense of community.

With nearly 120 student clubs and societies at the U of R, there’s sure to be something that piques your interest. Can’t find the perfect club? URSU will gladly accommodate new clubs, and even help you get set up with funding! We also proudly support a number of events that celebrate the rich multicultural heritage of our campus and student body.

"When you come to university from high school you start making friends with people who have similar interests to you. These are the relationships that will last through life.

Cory Balaberda
5th year, Education & Kinesiology"

TOP 10 THINGS TO DO ON CAMPUS

1. Join a student club and make new friends
2. Enjoy a warm welcome during Frost Week
3. Grow something great in our Edible Campus Garden
4. Be enlightened at a TEDx Regina talk
5. Let loose at Welcome Week – the biggest party of the year
6. Snack on nachos and wind down with your buds at our campus pub - The Owl
7. Dance like crazy at a Concert on the Green
8. Hop onto a Rams tailgate party
9. Attend a Student Society Faculty Gala
10. Dance to the drums at the FNUniv Spring Pow Wow
Whether you’re into team sports, solo workouts, or just like to paint your face and scream a lot, the University of Regina has something for you.

The University of Regina has 16 inter varsity athletics teams that compete against other post-secondary institutions across Canada and the United States. Combined, our teams have amassed three national championships and 28 conference championships.

At the U of R, you don’t have to be an Olympic athlete to play on a team (though if you were, you’d probably always get picked first). Our recreational and intramural programs attract nearly two thirds of our student body to a wide array of activities, including volleyball, slo-pitch, innertube waterpolo, floor hockey, curling, ultimate Frisbee, and much more.

Our Centre for Kinesiology, Health, and Sport is a state-of-the-art multi-use facility that draws local, provincial, national, and international events throughout the year. The Centre features a 25,000 ft² three-court gymnasium with retractable bleacher seating for up to 2,000 spectators, two multipurpose gymnasiums, an elevated 200-meter four-lane running track, a large fitness centre, an Aquatics Centre, lecture and classroom facilities, teaching and research laboratories, an artificial turf field and two natural grass fields.

www.reginacougars.com and www.reginarams.com
“I’ve been playing football with the Rams for three years now and it’s awesome because it’s a real brotherhood. Everyone is like one big family here, plus the facilities are second to none.”

Alex Rorke | 3rd year, Indigenous Environmental Studies
Have you ever heard of sparkle balls? We know, we know – who hasn’t? These sparkling little gems are the brainchild of Hillberg & Berk CEO, Rachel Mielke. The popular jewellery company is based out of Regina and on a mission to empower women through design. Mielke never could have imagined how popular the company would become, or that she’d one day design a brooch for Queen Elizabeth II.

“The U of R was an amazing place to start my entrepreneurial journey. The education I received was a fundamental building block of getting me to where I am today and the community that I built while studying has become a community of lasting friendships.” Rachel Mielke

“I’m proud to be part of the alumni of the University of Regina. The U of R is an important contributor to the business and cultural landscape of Saskatchewan.” Mary Weimer

“A FEW OTHER U OF R GRADS YOU MAY RECOGNIZE

Jon Ryan
NFL football player

Perry Bellegarde
Canadian First Nations activist and politician

Guy Vanderhaaghe
Canadian novelist

Lorne Calvert
Former Premier of Saskatchewan

John Heselson
Former Member of the Australian Parliament

Elizabeth Raum
Composer

Connie Walker
Canadian journalist

Dianne Warren
Canadian novelist

Robert Boyer
Canadian First Nations visual artist

Andrew Scheer
Leader of the Opposition in the House of Commons

Chris Getzlaf
CFL football player

What can you do with a U of R degree? Just about anything!
Check out what these grads have done.

HILLBERG & BERK

TENTREE

Buy one article of clothing, plant ten trees. The business model for tentree is simple: for every item sold, tentree and its partners plant 10 trees in regions that will benefit for centuries to come. tentree was created by three friends who, through travel, recognized the need for giving back to the environment. To date, the company and its partners are responsible for planting over 15 million trees worldwide.

“The University of Regina encouraged me to step out of my comfort zone and go on a student exchange to the University of Hawaii. This was an amazing experience and ultimately contributed to the birth of tentree.” David Luba

“The University of Regina provided an incredibly supportive environment that always left us with the confidence to think outside the box. For us, this kind of environment pushed us to take chances and helped build the foundation for tentree today.” Derrick Emsley

“The University of Regina was an incredible place to start my business career – it’s a small city university that encourages you to think internationally. The mindset they teach you enables you to go out and make an impactful change on the world.” Kalen Emsley

There are so many opportunities here in Regina, and a lot of them come from the relationships I made while at the U of R.

Kalen Emsley
CMO & Co-Founder, tentree
Business Administration Diploma, 2009

David Luba
VP of Sales / COO & Co-Founder, tentree
Business Administration, 2009

Derrick Emsley
CEO & Co-Founder, tentree
Business Administration
Hill-Ivey Scholarship recipient

Mary Weimer
COO, Hillberg & Berk
Arts (Luther College), Political Science major, 1998

Rachel Mielke
CEO, Hillberg & Berk
Business Administration, 2003

Elizabeth Raum
Composer

Connie Walker
Canadian journalist

Dianne Warren
Canadian novelist

Robert Boyer
Canadian First Nations visual artist

Andrew Scheer
Leader of the Opposition in the House of Commons

Chris Getzlaf
CFL football player

There are so many opportunities here in Regina, and a lot of them come from the relationships I made while at the U of R.

Adrian Halter | Owner/Video Producer, Halter Media
BFA, Film Production, 2010
“It’s nice to have contributions from students with different backgrounds, experiences, faith traditions, and cultures here. It really helps students to grow as citizens of the world and learn from each other and the lives their classmates have lived.”

Dr. Alexis McQuigge, Ph.D. | Professor, English

503 Number of full time faculty
When it comes to education, a one-size-fits-all model simply doesn’t work (actually it doesn’t really work with anything other than umbrellas). That’s why we have three federated colleges through which you can pursue your University of Regina degree. Our Federated Colleges offer students a unique and supportive community within the larger University of Regina community.

**CAMPION COLLEGE**

At Campion College, education goes beyond the classroom. With over a century of excellence in forming leaders, Campion focuses on developing the entire person by providing students with opportunities to expand their professional network, be of service to their communities, and become citizens for positive change in society. Experience the Campion Advantage with specialized programming, personalized advising, and engaged learning opportunities!

Learn more about Campion at www.campioncollege.ca.

**LUTHER COLLEGE**

With a current enrolment of 600 students, Luther College is committed to retaining the personal atmosphere, individual attention, and sense of community that only a small university can offer. Luther College offers students exceptional pre-professional programming, such as the English-Science Bundle Plus, and unique opportunities in undergraduate Arts, Media, Art, and Performance, and Science education. Offering modern housing options and an impressive dining hall, Luther provides students with everything needed to thrive as they pursue their post-secondary education.

Learn more about Luther College at www.luthercollege.edu/university

**FIRST NATIONS UNIVERSITY OF CANADA**

FNUniv is a unique Canadian institution that specializes in Indigenous knowledge, providing post-secondary education for Indigenous and non-Indigenous students alike within a culturally supportive environment.

FNUniv Students value the sense of culture and wholeness they feel there in all aspects of the institution, from the small and supportive classes, to the respect for Indigenous traditions, history and values.

Learn more about the First Nations University of Canada at www.fnuniv.ca
To see full program descriptions or view sample classes and career paths, visit unconnected.uregina.ca.

PROGRAM INDEX

ACCOUNTING
BACHELOR OF BUSINESS ADMINISTRATION
Faculty of Business Administration
Learn accounting theories and practices in an applicable way. Gain experience with managerial, financial, and cost accounting practices, and learn how to prepare and analyze financial statements.
EL: Co-op | FC: FNUniv
Prepares students who wish to pursue their future CPA designation.

ANTHROPOLOGY
BACHELOR OF ARTS
Faculty of Arts
Develop deep, useful, cross-cultural understanding of human beings. Gain insights into politics, culture, gender, race, language, kinship and the complexities of globalization and multiculturalism in the modern world.
EL: Internship | FC: Campion, FNUniv, Luther
Highest paying 4-year degree on average!

ART HISTORY
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Learn to understand art historically and across cultures, as well as different methods and techniques of various art media while acquiring tools to conduct research and interpret and evaluate works of art.
EL: Professional Placement Program
FC: Campion, FNUniv, Luther

ART HISTORY
BACHELOR OF SCIENCE
Faculty of Science
Application of mathematics, statistics and risk theories to the design of insurance and pension programs and various business environments. Become experts in risk management.
EL: Internship | FC: Campion, FNUniv, Luther

BIOCHEMISTRY
BACHELOR OF SCIENCE
Faculty of Science
Learn biophysics, molecular genetics and complex biological processes. Focus on biosynthesis of natural products and understanding living cells at the molecular level. Expand your understanding of statistics and your ability to use your skills and knowledge in a laboratory context.
EL: Co-op | FC: Campion, FNUniv, Luther

BIOLOGICAL SCIENCE
BACHELOR OF SCIENCE
Faculty of Science
You will design experiments and projects, conduct field and laboratory research and learn to think analytically and critically. Examples of areas you can explore are environmental issues, the workings of the human body, and photosynthesis.
EL: Co-op | FC: Campion, FNUniv, Luther

CHEMICAL TECHNOLOGY
BACHELOR OF SCIENCE
Faculty of Science
Learn to conduct chemical analyses, set up experiments, and develop chemical products. You will build upon logical and innovative thinking skills and write technical reports.
EL: Must first complete Sask Polytech Diploma
FC: Campion, FNUniv, Luther

CHINESE
BACHELOR OF ARTS
Faculty of Arts
Learn the most-spoken language in the world. Grow your knowledge of Mandarin and Chinese culture to improve your language skills and open doors to new career options.
EL: Co-op | FC: Campion, FNUniv, Luther

CLASSICAL AND MEDIEVAL STUDIES
BACHELOR OF ARTS
Faculty of Arts
Learn to understand Greek and Roman art, literature, languages and history. Study the Middle Ages, the Crusades, and Latin and Greek languages and develop an ability to analyze complex issues, and to think creatively and analytically.
EL: Co-op | FC: Campion, FNUniv, Luther

COMPUTER SCIENCE
BACHELOR OF SCIENCE
Faculty of Science
Learn all aspects of computing from coding to user-interfaces. Explore how to program computers for simple and complex tasks such as computer graphics, animation, and video games.
EL: Co-op | FC: Campion, FNUniv, Luther
Acredited since 1992 – longer than any other program in Canada.

CREATIVE TECHNOLOGIES
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Enhance your creativity with the power of technology and work outside traditional creative study areas through the linking of technology, music, and visual arts while working and studying new media.
EL: Professional Placement Program
FC: Campion, FNUniv, Luther

CULTURES OF DISPLAY
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Students take specific Art History and Media, Art, and Performance courses to prepare for a career in the curatorial field. The program was designed to meet the demand for specific training in this area.
EL: Co-op | FC: Campion, FNUniv, Luther

ECONOMICS
BACHELOR OF ARTS, BACHELOR OF SCIENCE
Faculty of Arts & Faculty of Science
Explore how societies deal with economic problems, provide for the economic well being of their citizens, decide what goods and services to produce, which methods to use in production, and to whom these goods and services will be distributed.
EL: Co-op | FC: Campion, FNUniv, Luther

EDUCATION - ELEMENTARY
BACHELOR OF EDUCATION
Faculty of Education
Broad based program that prepares school professionals to teach core curriculum subjects including arts education, health, language arts, mathematics, physical education, science, and social studies at the Pre-Kindergarten to Grade 9 level.
EL: Internship
Direct-entry program/competitive

EDUCATION - SECONDARY
BACHELOR OF EDUCATION
Faculty of Education
You will be required to identify a major and minor area of focus. Majors: Biology, Chemistry, English, Health, Mathematics, Physical Education, Physics and Social Studies. (Minors: Arts Ed., Dance, Drama, French, Outdoor Education, Religious Studies)
EL: Internship
Direct-entry program/competitive

ENGINEERING - ELECTRONIC SYSTEMS
BACHELOR OF APPLIED SCIENCE
Faculty of Engineering and Applied Science
Focuses on analog and digital electronics with specialization streams in instrumentation and control, telecommunications, microelectronics, and power and energy. Software and computer-related courses are part of program, allowing students to develop greater software and hardware abilities.
EL: Co-op

EDUCATION - MUSIC
BACHELOR OF MUSIC
Faculty of Media, Art, & Performance
Faculty of Education
This five year joint degree program prepares you to teach secondary choral and instrumental music. As part of the program, you will pursue applied music study on one instrument or voice for seven of the ten semesters.
EL: Internship
FC: Campion, FNUniv, Luther for the BMUS portion of the program.

EDUCATION - SASKATEWAN URBAN TEACHER EDUCATION PROGRAM (SUETEP)
BACHELOR OF EDUCATION
Faculty of Education
Incorporates native studies and cross-cultural education with a solid foundation in the mechanics of teaching while spending a substantial amount of time working with teachers and their students in mostly urban schools.
EL: Internship
Direct-entry program/competitive

EL – Experiential Learning Opportunities
FC – Program available through a Federated College

Faculty of Media, Art, & Performance
Students take specific Art History and Media, Art, and Performance courses to prepare for a career in the curatorial field. The program was designed to meet the demand for specific training in this area.
EL: Co-op | FC: Campion, FNUniv, Luther

ECONOMICS
BACHELOR OF ARTS, BACHELOR OF SCIENCE
Faculty of Arts & Faculty of Science
Explore how societies deal with economic problems, provide for the economic well being of their citizens, decide what goods and services to produce, which methods to use in production, and to whom these goods and services will be distributed.
EL: Co-op | FC: Campion, FNUniv, Luther

EDUCATION - ELEMENTARY
BACHELOR OF EDUCATION
Faculty of Education
Broad based program that prepares school professionals to teach core curriculum subjects including arts education, health, language arts, mathematics, physical education, science, and social studies at the Pre-Kindergarten to Grade 9 level.
EL: Internship
Direct-entry program/competitive

EDUCATION - SECONDARY
BACHELOR OF EDUCATION
Faculty of Education
You will be required to identify a major and minor area of focus. Majors: Biology, Chemistry, English, Health, Mathematics, Physical Education, Physics and Social Studies. (Minors: Arts Ed., Dance, Drama, French, Outdoor Education, Religious Studies)
EL: Internship
Direct-entry program/competitive

ENGINEERING - ELECTRONIC SYSTEMS
BACHELOR OF APPLIED SCIENCE
Faculty of Engineering and Applied Science
Focuses on analog and digital electronics with specialization streams in instrumentation and control, telecommunications, microelectronics, and power and energy. Software and computer-related courses are part of program, allowing students to develop greater software and hardware abilities.
EL: Co-op

EDUCATION - MUSIC
BACHELOR OF MUSIC
Faculty of Media, Art, & Performance
Faculty of Education
This five year joint degree program prepares you to teach secondary choral and instrumental music. As part of the program, you will pursue applied music study on one instrument or voice for seven of the ten semesters.
EL: Internship
FC: Campion, FNUniv, Luther for the BMUS portion of the program.

EDUCATION - SASKATEWAN URBAN TEACHER EDUCATION PROGRAM (SUETEP)
BACHELOR OF EDUCATION
Faculty of Education
Incorporates native studies and cross-cultural education with a solid foundation in the mechanics of teaching while spending a substantial amount of time working with teachers and their students in mostly urban schools.
EL: Internship
Direct-entry program/competitive

EL – Experiential Learning Opportunities
FC – Program available through a Federated College
CONTINUED
INDIGENOUS ENVIRONMENTAL SCIENCE
BACHELOR OF SCIENCE
Faculty of Science (FNUniv program)
Provides students with tools to become experts in multi-faceted disciplines in the sciences, environmental assessment, environmental resource management, mining, land development, natural resource exploration, and health impact.
FC: Campion, FNUniv, Luther

INDIGENOUS FINE ARTS & ART HISTORY
BACHELOR OF ARTS
Faculty of Media, Art, & Performance
The Department of Indigenous Fine Arts teaches not only the history of Indigenous art but also the arts and technique in both two and three dimensions.
EL: Professional Placement Program
FC: Campion, FNUniv, Luther

INDIGENOUS LANGUAGES:
CREE OR Saulteaux
BACHELOR OF ARTS
Faculty of Arts
FNUniv’s Department of Indigenous Languages, Arts and Cultures works to strengthen the First Nations identity by ensuring the survival of Saskatchewan First Nations languages. The department offers majors in Cree, Saulteaux and minors in Cree, Dakota, Dene, Nakota, and Saulteaux.
EL: Co-op | FC: Campion, FNUniv, Luther

INDIGENOUS SOCIAL WORK
(PRE-SOCIAL WORK)
BACHELOR OF ARTS
Faculty of Arts
The program is open to both Indigenous and Non-indigenous students and explores the history and life of Indigenous people in Saskatchewan, Canada, North America and around the world. It incorporates traditional teachings offered by Elders, as well as traditional perspectives and content. Courses specifically foster critical thinking skills, written and oral expression and the development of research methods.
EL: Co-op | FC: Campion, FNUniv, Luther

INTERNATIONAL BUSINESS
BACHELOR OF BUSINESS ADMINISTRATION
Faculty of Business Administration
Apply a global perspective to business management and develop an understanding of international trade and the international monetary system. Learn about multinational business operations, economic integration, and international business relations.
EL: Co-op | FC: FNUniv

INTERNATIONAL STUDIES
BACHELOR OF ARTS
Faculty of Arts
Integrate international and regional area studies to explore global processes and structures that connect and affect countries around the world.
Concentrations: Asian Studies, European Studies, Development Studies or International Affairs.
EL: Co-op | FC: Campion, FNUniv, Luther

JOURNALISM (PRE-JOURNALISM)
BACHELOR OF ARTS
Faculty of Arts
Study the history of journalism, media convergence and ownership trends, as well as Aboriginal issues in journalism. Learn newspaper and magazine writing, television and radio news and documentary production, digital editing and desktop and internet publishing.
EL: Internship | FC: Campion, FNUniv, Luther

LINGUISTICS (INDIGENOUS LANGUAGES & LINGUISTICS PROGRAM)
BACHELOR OF ARTS
Faculty of Arts
FNUniv program
Linguists concern themselves with the structure of language: all forms of human language and the search for the patterns of sound, word-form, phrase structure and meaning that underlie language we use.
EL: Co-op | FC: Campion, FNUniv, Luther

MANAGEMENT
BACHELOR OF BUSINESS ADMINISTRATION
Faculty of Business Administration
Become an expert in business management, theory and practice, organizational behavior, operations management, communications and overall management decision making. Learn how to develop and implement organizational strategies.
EL: Co-op | FC: FNUniv

MARKETING
BACHELOR OF BUSINESS ADMINISTRATION
Faculty of Business Administration
Develop research skills and the ability to predict consumer behaviour. Create and implement marketing strategies, understand consumer buying behaviour and strategically align products with the right market for public and non-profit organizations.
EL: Co-op | FC: FNUniv

MATHMATICS
BACHELOR OF SCIENCE
Faculty of Science
Your studies will focus on calculus, matrix algebra and developing high level reasoning skills.
EL: Co-op | FC: Campion, FNUniv, Luther

MEDICAL IMAGING
BACHELOR OF MEDICAL IMAGING
Faculty of Science
The medical imaging program trains you to understand and apply the principles of science and medicine as they relate to medical radiography. You will become skilled in the techniques and equipment used in diagnostic imaging departments.
EL: Must first complete SK Polytech Diploma
FC: Campion, FNUniv, Luther

MEDICAL LABORATORY SCIENCE
BACHELOR OF MEDICAL LABORATORY SCIENCE
Faculty of Science
Explore various topics such as biology, organic chemistry, biochemistry, and genetics. You will participate in computer assisted research, statistical analyses of medical experiments and data, safety practices and infection control, and professional communication.
EL: Must first complete SK Polytech Diploma
FC: Campion, FNUniv, Luther

MUSIC
BACHELOR OF MUSIC, BACHELOR OF ARTS
Faculty of Media, Art, & Performance
Draw upon three disciplines to develop an understanding of music: musicology, history, theory, or comprehensive music. Learn newspaper and magazine writing, television and radio news and documentary production, digital editing and desktop and internet publishing.
EL: Co-op | FC: Campion, FNUniv, Luther

NURSING (REGISTERED NURSE)
BACHELOR OF SCIENCE IN NURSING
Faculty of Nursing
Study human anatomy and physiology, Aboriginal health, pharmacology, informatics, research methods and more. The program will enable you to support and advocate for people to achieve and maintain health through holistic nursing care.
EL: Clinical Placements
CAMPUS OPTIONS: U of R Regina, U of R Saskatoon
- Bilingual Option
- New Bachelor degree entry option

PHILOSOPHY
BACHELOR OF ARTS
Faculty of Arts
Study classic philosophers such as Aristotle and Plato, and explore the influential and world-changing ideas of Descartes, Marx, and Rousseau. Learn to challenge and question the world we live in, re-evaluate the everyday and theorize about different belief systems.
EL: Co-op | FC: Campion, FNUniv, Luther

POLITICAL SCIENCE
BACHELOR OF ARTS
Faculty of Arts
Study the political systems of various governments, the role of a parliament, and how policy is made and debated. Learn about our political institutions and how they operate.
EL: Co-op | FC: Campion, FNUniv, Luther

POLYCLINIC CHIROPRACTIC SCIENCE
Faculty of Science
Students complete the qualifying university requirements for the Chiropractic program at the Canadian Memorial Chiropractic College (CMCC). Students are required to complete a minimum of three years (90 credit hours) of academic study followed by one term at the Canadian Memorial Chiropractic College and one-term internship with a police service. Academic path: complete all four years of academic study prior to admission to the Chiropractic program.
EL: Co-op | FC: Campion, FNUniv, Luther

PRE-DENTISTRY
Faculty of Science
Students can complete the pre-dentistry requirements for the University of Saskatchewan’s College of Dentistry at the University of Regina. Students must complete the College of Dentistry at the University of Regina.
EL: Co-op | FC: Campion, FNUniv, Luther

PRE-AGRICULTURE
Faculty of Arts | Faculty of Science
Begin the University of Saskatchewan’s Bachelor of Science in Agriculture at the University of Regina. The courses completed at the University of Regina as part of this program can be used toward a variety of degree programs at the University of Regina.
EL: Co-op | FC: Campion, FNUniv, Luther

PRE-CHIROPRACTIC MEDICINE
Faculty of Arts | Faculty of Kinesiology & Health Studies | Faculty of Science
Students can complete the qualifying university requirements for the Chiropractic program at the Canadian Memorial Chiropractic College (CMCC). Students are required to complete a minimum of three years (90 credit hours) of academic study prior to admission to the Chiropractic program.
EL: Co-op | FC: Campion, FNUniv, Luther

PRE-MEDICAL STUDIES
Faculty of Science
Students can complete the pre-medical studies program at the Canadian Memorial Chiropractic College (CMCC). Students are required to complete a minimum of three years (90 credit hours) of academic study prior to admission to the Chiropractic program.
EL: Co-op | FC: Campion, FNUniv, Luther

PRE-DENTISTRY
Faculty of Science
Students can complete the pre-dentistry requirements for the University of Saskatchewan’s College of Dentistry at the University of Regina. Students must complete the College of Dentistry at the University of Regina.

2018/2019 VERSION
Some possible unique minor opportunities include:

New Minors: Canadian Identities, Pop Culture, Community and Social Engagement.

**PSYCHOLOGY**

BACHELOR OF ARTS, BACHELOR OF SCIENCE

Faculty of Arts

Faculty of Science

Why do we behave the way we do? Learn how people relate to each other and the world around them, while also learning about yourself. Psychologists tackle an array of questions about what makes us human.

EL: Co-op / FC: Campion, FNUinur, Luther

**RELIGIOUS STUDIES**

BACHELOR OF ARTS

Faculty of Arts

Students at the University of Regina can complete a four year baccalaureate degree prior to entry to the College of Medicine.

FC: Campion, FNUinur, Luther

**PRE-MEDICINE**

Faculty of Arts | Faculty of Kinesiology & Health Studies | Faculty of Science

Students can complete the pre-medicine requirements for the College of Pharmacy and Nutrition at the University of Saskatchewan. Students are eligible to apply to the University of Waterloo with three years of specified pre-optometry courses. Pre-optometry courses completed at the University of Regina can be used toward a BSc at the University of Regina.

FC: Campion, FNUinur, Luther

**PRE-NUTRITION**

Faculty of Arts | Faculty of Science

Students at the University of Regina can complete the pre-nutrition requirements for the Nutrition program offered by the University of Saskatchewan. Applicants to the Nutrition program require 30 credit hours of specific course requirements. Pre-nutrition courses completed at the University of Regina can be used toward a variety of programs at the University of Regina.

FC: Campion, FNUinur, Luther

**PRE-OPHTALMOLOGY**

Faculty of Science

Students can complete the pre-optometry requirements for the Optometry program at the University of Waterloo through the Faculty of Science at the University of Regina. Students are eligible to apply to the University of Waterloo with three years of specified pre-optometry courses. Pre-optometry courses completed at the University of Regina can be used toward a BSc at the University of Regina.

FC: Campion, FNUinur, Luther

**PRE-OCCUPATIONAL THERAPY**

Faculty of Science

Complete the requirements for admission to the University of Saskatchewan College of Law at the University of Regina. Students are required to take 60 credit hours of courses – the equivalent to two years of full-time university courses, before being eligible to apply to the College of Law.

FC: Campion, FNUinur, Luther

**SOCTIOLOGY**

BACHELOR OF ARTS

Faculty of Arts

Study the relationships between people and institutions and how these relationships affect our decision making and everyday lives. Analyze human social behaviour and complex social issues to understand social events and how they impact societies.

EL: Co-op / FC: Campion, FNUinur, Luther

**SOFTWARE SYSTEMS DEPLOYMENT**

BACHELOR OF SCIENCE, FACULTY OF SCIENCE

Faculty of Science

Enjoy solving technical problems or using simple programming languages to create your own computer games and software materials? Create, design, implement, and test large software systems throughout this program.

EL: Co-op / FC: Campion, FNUinur, Luther

**RESOURCE AND ENVIRONMENTAL STUDIES**

BACHELOR OF ARTS

Faculty of Arts

Learn about resource and environmental legislation, resource management, contemporary environmental issues, and environmental and community health. Explore how these topics affect Indigenous peoples, cultures and histories.

Must first complete Sask Polytech’s Resource and Environmental Law Diploma.

EL: Co-op / FC: Campion, FNUinur, Luther

**SPANISH**

BACHELOR OF ARTS

Faculty of Arts

Grow your knowledge of the Spanish language and Hispanic cultures to open the door to new career opportunities.

EL: Co-op / FC: Campion, FNUinur, Luther

**THERAPEUTIC RECREATION**

BACHELOR OF ARTS, BACHELOR OF RECREATION STUDIES

Faculty of Kinesiology & Health Studies

Study how leisure, play, and sport are a vital part of our lives. Become an expert in therapeutic recreation and work with people with mental or physical health issues or injuries in this nationally-certified program.

EL: Fieldwork

**VISUAL ARTS**

BACHELOR OF FINE ARTS

Faculty of Arts

Grow your passion for design and visual arts, and learn to critically analyze design and visual arts solutions. Explore the history, theory, and research methods of the field of fine arts.

EL: Co-op / FC: Campion, FNUinur, Luther

**WOMEN’S & GENDER STUDIES**

BACHELOR OF ARTS

Faculty of Arts

Explore the history, theory, and social constructs of women’s and gender issues in this interdisciplinary program.

EL: Co-op / FC: Campion, FNUinur, Luther

**CERTIFICATE PROGRAMS**

Enhance your 4-year degree or start with a certificate/diploma!

Certificate programs add a professional focus to your degree or allow you to ladder into a degree program. Complete a certificate while working on your degree or complete it on its own.

Discover exciting fields like public relations, administration, or local government.

There are some examples of certificates you can start with or enhance your degree with:

- Certificate in Chinese
- Certificate in Computer Science
- Certificate in Economics
- Certificate in French and Francophone Intercultural Studies
- Certificate in French as a Second Language
- Certificate in German
- Certificate in Health Studies
- Certificate in Indian Communication Arts
- Certificate in Indian Fine Arts
- Certificate in Indigenous Health Studies
- Certificate in Indigenous Social Work
- Certificate in Intercultural Relations
- Certificate in International Studies
- Certificate in Japanese
- Certificate in Political and International Governance
- Certificate in Spanish
- Diploma in Business Administration
- Justice Studies
- Public Relations Certificate
- Certificate in Nonprofit Sector Leadership & Innovation - New!
- Certificate in Administration Level I
- Certificate in Administration Level II
- Diploma in Business Administration
- Certificate in Political and International Governance

For a full listing of available certificates and diploma programs, please visit urconnected.uregina.ca

**EL – Experiential Learning Opportunities**

**FC – Program available through a Federated College**
Just like your grandma’s house, you’re always welcome here! There’s no need for a formal invite; stop by any time to scope out our campus and get a feel for what it’s really like to be a student at the University of Regina.

CAMPUS TOURS
Get the insider’s scoop on campus life, as you enjoy a tour from one of our current students. Check out our classrooms, housing options, sports facilities, and popular campus hangouts. Feel free to stop by solo, with friends, or even with your parents (after all, there’s a chance they may be paying for this).

ENROLMENT COUNSELLING
There’s a good chance you’ll have a lot of questions about university. That’s why we have experienced (and pretty darn friendly) Enrolment Counsellors on staff. They’ll meet with you one-on-one, answer all of your questions, and even guide you through the complete application process if you like.

EVENTS
FALL OPEN HOUSE, OCTOBER 14, 2017
Each fall, we offer a Saturday Open House event for high school students and their families. It’s a great opportunity to tour our campus and residence buildings, meet other future students, and ask current students about what life at U of R is really all about. You can even apply on the spot (and possibly get admitted that day) for a reduced application fee!

ADMISSION ON THE SPOT (AOTS)
No need to pace by your mailbox, chewing your fingernails and waiting for your acceptance letter. Our Admission on the Spot event allows students to apply in person and, for some programs, find out if they’re accepted right on the spot. Simply bring your transcripts and application fee (your fingernails will thank you).

SCHOLARSHIP APPLICATION WORKSHOPS
These helpful workshops give you excellent advice on how to search for awards, write an awesome personal statement, and what to ask for in reference letters. You’ll find out everything you wanted to know about scholarship applications but were too afraid to ask.

GRADE 11 UNIVERSITY PREVIEW, FEBRUARY, 2018
It’s never too early to start planning for your post-secondary future. This event is designed specifically for grade 11 students who want to explore their post-secondary options. Take part in hands-on sessions and selected presentations based on your own interests.

URBEGINNING, MAY 4, 2018
New students who have been admitted to the university are invited to attend this fun spring event before starting classes in the fall. URBEGINNING provides the opportunity for incoming students to meet others, register for classes, and get first dibs on fall courses!
